WILLIAM'S STORY

William arrived in the United States from Liberia in 2024 ready to build a new life, but finding steady work was a challenge. Through a United Way community partner, **he received job coaching, case management, and job support.** In early 2025, he secured a full-time role earning \$18 an hour. With continued support, he kept his job and gained new skills.

He soon advanced to a new position earning \$25 an hour, building stability for his growing family.
