MY DONATION IS NOT GOING TO CHANGE ANYTHING.
TALK WON’T FIX IT. UNITED, WE WILL.

RIGHT HERE, IN THE GREATER CLEVELAND AREA:

66% OF ADULTS CAN’T READ THIS BROCHURE.

1 IN 5 KIDS WILL HAVE TO CHOOSE BETWEEN BREAKFAST, LUNCH OR DINNER.

54% OF SENIOR CITIZENS DON’T HAVE A WAY TO GET TO THEIR DOCTORS APPOINTMENTS.
So, what exactly do we do?
We dissect poverty piece by piece. We get to the roots of it, the history, the causes, and the people it affects. Then, we roll up our sleeves and get to work. First, we direct funds and effort toward meeting basic human needs, like food, shelter and safety. Then, those affected by poverty, like families affected by violence, and kids and adults who can’t read.

Every day we can improve the lives of people in need. So we do.
