SELECTING THE TEAM

You have three options for the types of teams to sign-up for the opportunity.

1. If you are a Team Captain, the teams that you captain will be available from the drop-down in "Option 1"
2. If you wished to you could create a new team. After you create the team you will have the opportunity to return to this step to sign-up the team. If you need help creating a team, [click here](#). After you create a team, you'll be returned to this page and can then choose Option 1 to select that team and proceed with signup.

If you select option 1, then the page will re-load with the information related to the team you selected.

SELECTING THE TEAM MEMBERS

After you select the team to participate, a team member list appears for you to select which members will be participating.

Team Captains are already pre-selected to participate and it is recommended that one Team Captain is signed up for the opportunity to ensure that project-related information is received by the team since some team members.

To sign-up any of the other team members simply mark the box to the left of their name. If they have an e-mail address provided they will receive the notification of the sign-up and any other related notices and reminders.

If there any extra questions related to this opportunity, they will be presented after the names for you to answer.

Then click "Submit".
